# ANGELS SHARE

At the very epicentre of one of the world's most iconic and historic cities, Angels Share is a showcase of contemporary Scottish culture.

We celebrate the real Scotland - the one that is vibrant, fashionable and current. That is why we stock an impressive range of premium whisky, why our cocktails prominently feature Scottish products and why our chefs serve the finest modern cuisine made from fresh, locally sourced ingredients.

It is why our stylish bedrooms each feature Scottish cultural icons, from renowned actors to esteemed musicians and sportspeople, and why our decor is informed by contemporary Scottish design.

At Angels Share, we aim to be more than just another venue, we aspire to cultivate a unique experience that is equal parts warm, inviting and luxurious, set against the backdrop of a culture we take pride in.

# WHISKY

Scottish Whisky is a world renowned, remarkable spirit - beloved by connoisseurs and newcomers alike, it truly has appeal for all. Rarely does one come across a spirit with such range, such depth and such character.

From the peat smoke of the Islay expressions, to the sweet, honeyed notes of those hailing from the banks of the Spey, each distillery offers it's own style and pours a different tale into their bottles.

It is often said to those who claim not to like whisky – there's a whisky out there for everyone, you just haven't had it yet.

Let us try and help you to discover yours.

To aid in your journey we have grouped our whiskies according to their flavour profile.
